Increase your service, increase your revenue!

- **PORTABLE:** Weighing just 4 pounds, the Atrix Express IPM is the lightest Professional IPM Vacuum on the market. The Express comes complete with all accessories and the reinforced carrying case shown above.
- **FILTRATION:** True HEPA Filtration (99.97% Efficient @ 0.3 Microns) virtually eliminates the risk of exhausting dangerous bacteria and the potentially fatal hantavirus out into the air you and your customers breath.
- **CONVENIENT:** Easy to operate and to transport. Simply insert the plug into the unit to safely seal between uses. Ideal for Professionals working in an urban environment.
- **POWERFUL:** Atrix has built in a new, powerful motor making the Express Plus as powerful as most of the larger service vacuums. Ideal for bed bugs.
