Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read entire label before using.

Storage and Disposal

Do not contaminate water, food, or feed by storage or disposal. **Storage:** Store in original container, tightly closed in a secure place. Keep out of the reach of children and domestic animals.

Disposal: If empty: Do not reuse this container. Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

General Information

CONSERVE FLY BAIT is intended for control of houseflies outdoors around houses, garbage cans, garbage collection points, outdoor latrines, pet kennels, compost areas, non-commercial animal housing (e.g., on hobby farms) including poultry houses, pig pens, livestock barns, livestock pens, horse stables, stables or other animal handling or feeding facilities. This product can also be used indoors, but only in areas where children, animals or pets cannot come in contact with or ingest the granules. See specific use instructions and precautions below. This product's active ingredient, spinosad, is biologically derived from the fermentation of *Saccharopolyspora spinosa*, a naturally occurring soil organism.

General Use Precautions

* Conserve Fly Bait contains the bittering agent, Bitrex, an intensely bitter substance intended to prevent inadvertent consumption by humans. Conserve Fly Bait also contains a fluorescent yellow (red) pigment that makes the bait more attractive to flies.

* Use of waterproof gloves is recommended when handling Conserve Fly Bait to avoid staining of skin or clothing.

* Keep in original container and store out of direct sunlight in a cool and dry location. To preserve effectiveness, reseal container immediately after measuring and using the product.

* Do not allow Conserve Fly Bait to contact food, feedstuffs, and water. Protect exposed food, feedstuffs, and water, where necessary to avoid contamination.

* Do not allow pets to feed on garbage treated with Conserve Fly Bait.

* Apply Conserve Fly Bait only in locations inaccessible to children, livestock animals and pets where bait granules cannot be picked up or where animals and pets cannot lick surfaces on which the bait has been placed.

Application Timing

Re-application: Re-apply when bait is no longer effective in controlling flies.

Bait Application Method

Scatter bait:

Scatter Conserve Fly Bait evenly outdoors around garbage cans, garbage collection points, outdoor latrines, and compost areas where flies are observed to be resting or feeding. Scatter uniformly, at the rate of 1 oz per 125 sq ft of area. Do not put in piles.

Note: Do not use scatter bait application method inside the house, or in areas where children, animals or pets could come in contact with the granules.

Terms and Conditions of Use

If terms of the following Warranty Disclaimer and Inherent Risks of Use are not acceptable, return unopened package at once to the seller for a full refund of purchase price paid. Otherwise, use by the buyer or any other user constitutes acceptance of the terms under Warranty Disclaimer and Inherent Risks of Use.

Warranty Disclaimer

Seller warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in strict accordance with the directions, subject to the inherent risks set forth below. SELLER MAKES NO EXPRESS NOR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY OTHER EXPRESS OR IMPLIED WARRANTY.

Inherent Risks of Use

It is impossible to eliminate all risks associated with use of this product. Lack of performance, or other unintended consequences may occur due to such factors as use of the product contrary to label instructions, abnormal conditions, presence of other materials, the manner of application, or other factors, all of which are beyond the control of Seller. All such risks shall be assumed by Buyer.

Limitation of Remedies

The exclusive remedy for losses or damages resulting from this product (including claims based on contract, negligence, strict liability, or other legal theories), shall be limited to, at Seller's election, one of the following:

1. Refund of purchase price paid by buyer or user for product bought, or
2. Replacement of product.

Seller shall not be liable for losses or damages resulting from handling or use of this product unless Seller is promptly notified of such loss or damage in writing. In no case shall Seller be liable for consequential or incidental damages or losses.

The terms of the "Warranty Disclaimer" and this "Limitation of Remedies" cannot be varied by any written or verbal statements or agreements. No employee or sales agent of the Seller is authorized to vary or exceed the terms of the "Warranty Disclaimer" or this "Limitation of Remedies" in any manner.
