ROACH TABLETS

DIRECTIONS FOR USE

It is in violation of Federal Law to use this
product in a manner inconsistent with its
labeling.

FOR HOMEOWNERS USE ONLY.

USE RESTRICTIONS:

Apply only in areas inaccessible to children
and pets. Avoid contamination of feed or
foodstuff.

APPLICATION DIRECTIONS

Harris Famous Roach Tablets are an insect
food and contain the **HARRIS ROACH LURE**.
Because of this "lure", roaches and water
bugs will find and eat these tablets. Tablets
are made soft so that roaches and water bugs
may eat them.

To control cockroaches, ants, and silverfish
place no more than three tablets per room in
sites, such as under and behind refrigerator,
stove, sinks, tubs, dishwasher, washing
machine, dryer; into openings around drains,
water pipes, and electrical conduits; and in
cracks and crevices along baseboards and
corners of cabinets, cupboards and closets.
Remove all lower drawers in kitchen and
bathroom cabinets, bedroom dressers, and
chest of drawers then place tablets in drawer
wells.

Any tablet visible after application must be
pressed into cracks and crevices or removed.
Reapply as necessary.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have
person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a
poison control center or doctor. Do not give anything by mouth to an unconscious person.
IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove
contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control
center or doctor for treatment advice.

FIRST AID:

CAUTION: Harmful if swallowed. May cause eye irritation. Avoid eye contact. Wash thoroughly
after handling. Have the product or label with you when calling a poison control center or doctor
or going for treatment. In case of emergency, for additional information call 1-(800) 222-1222.

mascotas. Evite contaminar alimentos y cosas
pertenecientes a los alimentos.

DIRECCIONES PARA APLICAR

Las Famosas Tabletass para Cucarachas de
HARRIS son alimento para insectos y contienen el
ATRAEDOR DE CUCARACHAS HARRIS. Por este
atraedor las cucarachas e insectos de agua
consiguen las tabletas y se las comen. Se hacen
las tabletas blandas para que las cucarachas e
insectos de agua se las puedan comer facilmente.

Para controlar cucarachas, hormigas y pez de
plata ubique no mas de tres tabletas por salon en
su lugar como debajo de refrigeradores, estufas,
fregaderos, bañeras, lavadora de platos, lavadora,
de ropa, secadoras; dentro de aperturas alrededor
de desagues, tuberias de agua y conductos
eléctricos; y en grietas y aperturas en las tablas y
esquinas de los gabinetes de cocina y de baño,
ropero de cuartos y gabeteros, y ubique tabletas
en huecos de las gabeltas.

Cualquier tableta visible despues de la aplicacion
tiene que estar prensado dentro de las grietas y
aperturas o removido. Repetir la aplicacion segun
sea necesario.
